- Refinancing of residential property (completed only); or
- Sub-sale of residential property; or
- Refinancing with additional excess limit for personal consumption via Affin Tawarruq Cash Line-i facility.

Shariah Concept

- This product is under the concept of **Musharakah Mutanaqisah**.
- For financing purchase of new property, the Bank and the Customer shall jointly purchase the rights, interests and benefits in the property. The Customer shall contribute a sum equivalent to the initial acquisition payment and the Bank shall contribute towards the purchase of the Property a sum equivalent to the Bank's commitment amount.
- For refinancing purposes, the Bank shall purchase the shares, rights, and benefits of the property from the Customer, to which the Bank shall contribute a sum equivalent to the initial acquisition payment towards the part purchase of the property.
- The Bank then leases its share in the property to the Customer on the basis of Ijarah Mawsufah Fi Zimmah (Forward Leasing) during construction of the Property (if applicable) and Ijarah (Lease) for completed property.
- The Customer shall gradually acquire the Bank's ownership, rights and benefits in the property by making monthly payments to the Bank. The payment will partially contribute towards increasing the Customer's share in the Property and decreasing the Bank's share in the Property until the Customer fully own the property.
