 **AFFIN SCHOLAR-i**  
 **A1ADDIN eSAVER-i**  
 **ANY OTHER SAVINGS ACCOUNT-i OFFERED UNDER THE CONCEPT OF TAWARRUQ**

**1. What is this product about?**

- Savings account offered by the Bank for Customer to place funds and have access to the funds when demanded. This product offers fixed return on the deposit placed by the Customer. This product is protected by Perbadanan Insurans Deposit Malaysia up to RM250,000 for each depositor.

**2. What are the Shariah concept applicable under this products?**
**a) Tawarruq**

Tawarruq consist of two sale and purchase contracts where the Customer (represented by the Bank as their purchasing agent) will purchase a specific Shariah compliant Commodity from the Commodity Supplier at a Purchase Price (equivalent to the deposit amount) and sells the Commodity (represented by the Bank acting as their agent) to the Bank at a mark-up sale price (Sale Price) on a deferred payment basis. Subsequently, the Bank will sell the Commodity to a third party at the Purchase Price on cash and spot basis.

**b) Wakalah**

The Bank will apply the dual-agency mechanism under the Wakalah concept. The Customer appoints the Bank as the Customer's agent to purchase the Commodity from the Commodity Supplier at a Purchase Price and subsequently sells the Commodity to the Bank on behalf of the Customer in order to complete the Tawarruq transaction.

**c) Wa'd**

Under the Shariah concept of Wa'd, the Bank undertakes to subsequently purchase from the Customer a specific Shariah compliant commodity ("the Commodity" consists of crude palm oil (CPO), rubber or any other commodity as advised by the Commodity Supplier) once completion of purchase of the Commodity on behalf of the Customer from a Commodity Supplier at Purchase Price (equivalent to the deposit amount).

#### 4. What are the key terms and conditions?

##### A. Appointment of Agent for Commodity Murabahah Trading

- a) The Customer agrees to appoint the Bank and the Bank agrees to accept the appointment as an agent of the Customer to do and execute purchase and sale of the Commodity in accordance with this terms and conditions. The Bank is authorised by the Customer to negotiate with, including but not limited to, the Commodity traders, industrial firms, their suppliers and their clients on behalf of the Customer in relation to the same.
- b) Upon signing the related account opening form and documents: -
  - i. On any subsequent days, the Customer pays the Purchase Price of the Commodity to the Bank (equivalent to each deposit placed into the account).
  - ii. The Bank as an agent to the Customer shall subsequently, on the following Business Day (as defined in Paragraph B item (d) of the Commodity Murabahah Transaction below), enter into Commodity Murabahah transaction.
  - iii. As agent of the Customer, the Bank buys specific Commodity on cash basis at a Purchase Price

- iv. from Commodity Broker A.
  - v. The Bank (as agent of the Customer) then sells the Commodity to the Bank on deferred payment at a Sale Price.
  - vi. The Bank then sells the Commodity to Commodity Broker B on cash and spot basis.
  - vi. On maturity date, the Bank pays the Sale Price to the Customer (taking into consideration rebate(s), if any).
- c) Each transaction will be entered into by the Bank in the name of the Customer on a full disclosed basis. The Bank as agent will look after the best interest of the Customer and acts in good faith in performing its obligations and dealing in the transactions.
- d) The Bank shall be authorised to delegate its rights and duties as the Customer's agent herein to any third party to do all acts necessary for the completion of the required transactions.

**B. Commodity Murabahah Transaction**

- a) The Bank shall enter into Commodity Murabahah transactions based on Daily Net Deposit amount as in the following scenarios:
- ❖ End of Day ("EOD") balance on account opening day.
  - ❖ Any incremental of deposit at EOD balances on any single day, excluding cheque floats.
  - ❖ EOD balance on 31 December each calendar year.
- b) EOD balance shall be the account balance at 2359 hours at any single calendar day.
- c) The Commodity Murabahah transactions will take place on daily basis on the next Business Day after the deposit placement (T+1).
- d) For the purpose of the Commodity Murabahah transactions, the expression "Business Day" means a day excluding Saturday, Sunday and Public Holiday of Federal Territory of Kuala Lumpur.
- e) The tenure shall start from the deposit placement date until 31 December of the respective year ("Maturity Date").
- f) At the Maturity Date, the Bank shall rollover the total EOD balance under the Customer's account and enter into a new Commodity Murabahah Transaction for a tenure that matures on 31 December of the following calendar year.

**C. Security Deposit (Hamish Jiddiyah)**

- a) Hamish Jiddiyah is the security deposit amount which the Bank will credit into the Customer's account on the Profit Crediting Day. On the Profit Crediting Day, the total accrued profit for a particular period will be credited into the Customer's account being partial/full settlement of the Sale Price by the Bank for the Murabahah transactions for the tenure.
- b) Hamish Jiddiyah refers to any amount credited to the Customer's Account prior to Commodity Murabahah transaction.
- c) Hamish Jiddiyah is granted as an assurance from the Bank to the Customer to purchase the Commodity from the Customer on the respective Purchase Date.
- d) The security deposit is derived based on the following formula:

$$\text{Security Deposit} = \frac{\text{EOD Balance} \times \text{EPR} \times n}{365 \text{ or } 366^*}$$

Where;

EPR = Effective Profit Rate

n = number of days prior to the Commodity Trading that consequently occurs prior to Profit Crediting Day, subject to non-Business Day

*\*366 to be used during the leap year*

- The Hamish Jiddiyah shall not be utilised by the Customer prior to the Commodity Trading.
- The Hamish Jiddiyah shall be returned to the Bank if the Commodity Murabahah transaction does not take place such as closing of Account prior to Commodity Trading.
- Once the Commodity Trading is performed, the Hamish Jiddiyah shall be offset against part of Sale Price.

**D. Profit Calculation**

a) The Sale Price shall be computed based on the following formula:

$$\text{Sale Price} = \text{Purchase Price} + \text{Contracted Profit}$$

Where;

Sale Price = the sum payable by the Bank to acquire the Commodity from the Customer on deferred basis which comprise of purchase price of the Commodity (daily net deposit) and the contracted profit.

Purchase Price = an amount equivalent to customer's Daily Net Deposit (as per the scenarios mentioned in Paragraph B item (a) of Commodity Murabahah Transaction) which will be used to purchase Commodity on trading day.

▪ The contracted profit shall be computed based on the following formula:

i. Annual Trading for EOD Balance as at 31<sup>st</sup> Dec (and subsequent calendar years)

$$\text{Contracted Profit} = \frac{\text{Year EOD Balance} \times \text{CPR} \times \text{Tenure (in days)}}{365 \text{ or } 366^*}$$

*\*366 to be used during the leap year*

ii. Daily trading computation for any positive Daily Net Deposit

$$\text{Contracted Profit} = \frac{\text{Daily Net Deposit} \times \text{CPR} \times \text{Tenure (in days)}}{365 \text{ or } 366^*}$$

Where;

CPR = Contracted Profit Rate

*\*366 to be used during the leap year*

iii. The actual profit shall be accrued daily (including cheque floats\*) and paid on the last day of each calendar month (Profit Crediting Day). The actual profit shall be based on Effective Profit Rate ("EPR") as per formula below:

$$\text{Actual Profit} = \frac{\text{EOD Balance} \times \text{EPR} \times \text{No. of days}}{365 \text{ or } 366^*}$$

*\*366 to be used during the leap year*

\* In the event of cheque return, the Bank will make adjustment on the daily actual profit accrued in Customer's account.

▪ The Bank shall determine the EPR and CPR from time to time with prior notice to the Customer. The notice will be published at AffinAlways.com and will be made available at any of the Bank's branches. The EPR declared by the Bank is equivalent to the Bank's prevailing board rate. For CPR will be computed based on the following:

- ❖ For single flat rate, CPR will be based on the EPR.
- ❖ For tier rate, CPR will be computed at the highest EPR.

▪ Any excess/extra profit paid by the Bank shall be treated as gift (hibah).

**b) Rebate (Ibra')**

a) The Customer consent to grant rebate (Ibra') on any accrued and/or unaccrued profit portion subject to the occurrence of certain events including but not limited to:

- i. Withdrawal of fund prior maturity
- ii. Termination/closure of account
- iii. Difference between CPR and EPR at the maturity date, given that the Sale Price is computed using CPR, is in excess of the aggregate profit during the year which is computed using EPR based on the following formula:

$$\text{Formula: Aggregate Contracted Profit} - \text{Aggregate Actual Profit Credited}$$

**c) Statement of Account and Tawarruq Notice**

- a) A statement shall be rendered once a month or at such other frequency determined by the Bank from time to time.
- b) A Tawarruq Notice is available upon request by Customer. The notice consists of:
- ❖ Commodity Murabahah transactions for the month
  - ❖ Sale Price
  - ❖ Year to Date Contracted Profit
  - ❖ Year to Date Actual Profit Paid
- c) The Customer may request for the Tawarruq Notice at any of our branches nationwide during office hours. The Bank shall forward the Tawarruq Notice to the Customer via e-mail or post to the Customer's latest address within five (5) business days from the date of such request.

**d) Additional information for ABCA-i**

- a) The Customer authorises the Bank as an agent (Wakeel) via written instruction to deduct the whole or any part of the profit (if any) realised and earned to be apportioned to charity; and subsequently distribute and manage the charity fund according to the Bank's Charity Fund Policy.

**5. What are the fees and charges applicable?**

- Wakalah (Brokerage) fee – RM2.00 per RM1 million on pro-rate basis. The Brokerage fee is to be shared equally between the Bank and the Customer. However, this fee is currently waived by the Bank.
